Heads or Tails

9:10-9:20 PM

Tickets for the Heads or Tails Game will be available for purchase for \$10.00 beginning at 7:00 PM. Every guest should buy a ticket. Great icebreaker! It's a lot of fun! Win a Kindle Fire!

At 9:10 Ernie Rogers, our auctioneer, leads us in the Heads or Tails game. All guests who purchased a chance to win will stand up. They predict the result of the auctioneer's coin toss, and indicate such choice by physically placing hands either on their own "head" or "tail". All choices are final. Once the auctioneer tosses the coin and reveals the result, all those having chosen incorrectly are eliminated and sit down. Participants remaining will be asked to predict the outcome of the next coin toss and indicate their choice as previously described. Play continues until only one participant remains standing. The winner gets the Kindle Fire!

Silent Auction

CIRCLE CENTER ADULT DAY SERVICES

The Boomer Ball is our signature fundraising event to help provide individual, affordable long term care for frail older adults, and respite to family caregivers.

We applaud the participants and their resiliency and independence as they devote themselves to physical and cognitive activities. The participants have succeeded in the popular walking program, full body wellness exercises including Tai Chi, and art projects shown at the Elder Works Art Show each year.

We also applaud their caregivers who have chosen Circle Center to gain respite care and reduce burnout, lower stress and support healthy living for themselves and their families so that they can all live together longer.

Circle Center Adult Day Services has been a respected Richmond eldercare resource since 1976. As one of the first 100 adult day centers in the country, we have provided these services for participants and their families for over 35 years.

The Boomer Ball is dedicated to our families. Excellent care, friends and activities. Happy, healthier lives.

Thank you for your support!
